B R A N C H E S  
mission lab

The level of involvement and giving of a nonprofit's Board is one of the top factors that determines success for a fundraising campaign or giving day.

**Here's how I can help hit our goal:**

**I will give toward our NWA Gives goal.**

I pledge to give \$\_\_\_\_\_

Include my gift in a Board Matching Pool to incentivize other giving.

**I will introduce others who may give or share.**

I can introduce you to friends, family, colleagues, and/or media contacts who may be interested to give or share with their networks of influence.

**I will personally invite others to give.**

I pledge to invite \_\_\_\_\_ people to give by telling them about NWA Gives and reminding them on April 4th with a phone call, text, or email.
